Our next visit is to the New Testament city of Magdala, home of Mary Magdalene. Here we will stand in a 1st Century synagogue where Jesus and his apostles stood and taught. After touring the Roman Byzantine city, we continue south along the Jordan River Valley to Jericho. Near Jericho we visit the site recently identified as the baptismal site of Jesus on the Israeli side of the border called Qasr Al-Yahud. We visit Tel es-Sultan, the oldest continuously inhabited city in the world. And here we see the remains of the Walls of Jericho that came "tumbling down" during Joshua's siege of the city. Before we continue to Jerusalem, those who choose will have an opportunity to "float" in the waters of the Dead Sea. Departing the Dead Sea Rift Valley, we pass through the Judean hills to Jerusalem. We detour near the Old Roman Road of Jesus' day to view the Judean wilderness and take a walk to view Kozeba or St. George's Monastery across Wadi Qelt. We continue on to Jerusalem. Today we journey north from the Jordanian capital city of Amman (known in Greco-Roman times as Philadelphia) to Jerash, the monumental Graeco-Roman Decapolis city, visiting its magnificent ruins and review Old and New Testament events that occurred along the route. We will cross the Jabbok River near Penuel and recall that the patriarch Jacob was renamed "Israel" at its banks after wrestling with an angel all through the night. You return to Amman for visits to the famous downtown Souk (open-air market), Amman Citadel, location of the Jordan Archaeological Museum (houses some of the Dead Sea Scrolls), Temple of Hercules, and other significant sites. ### **Day 4 - Friday, May 3, 2024: Amman, Balqa Highlands, Jordan Valley, Pella, Umm Qais, Irbid, Ajloun Castle**

This morning we will take a journey a few hours throughout the northwestern areas of Jordan. Our adventure begins with a drive through the picturesque western hills of the Balqa Highlands, passing through Es-Salt to the Jordan River Valley, then following the valley north we arrive at the city of Pella, where the Jewish Christians fled from Jerusalem in 66 AD, following the prophetic instructions of Jesus and his disciples. Our next travels take us further north to the site of New Testament city of Gadara (Umm Qais), where we have a view of the Sea of Galilee. From this vantage point, we can see the borders of Israel, Syria, and Jordan. Heading south again, we pass through the provincial capital of northern Jordan, Irbid and stop at the crusader-Moslem fortress of Ajloun Castle. We return to our Mövenpick Hotel for dinner and overnight. (B, D)

### **Day 5 - Saturday, May 4, 2024: Amman, Madaba, Karak Castle, Petra**

This morning we head south, stopping for a lunch break at Madaba where the oldest mosaic map of the Holy Land is displayed on the floor of the Byzantine church. After our visit, we journey southeast along the King's Highway through the biblical lands of Moab and Edom (tribal inheritances of Reuben). Enroute we stop to view the ruins of Herod Antipas' fortress-palace overlooking the Dead Sea, Machaerus. This is the location of Salome's dance and the beheading of John the Baptist. Traveling further south, we visit al-Karak Castle, one of the largest crusader castles in the Levant. Along the Kings Highway we will pass many of the biblical cities and locations from the days of the Patriarchs through the Exodus of the Children of Israel. We continue traveling south to Petra, a marvel long before "Indiana Jones and the Last Crusade" opened in theaters. After a memorable day, we arrive at our Old Village Hotel Resort in Wadi Musa for dinner and overnight. The hotel is a unique experience with the true ambience of the Bedouin-Nabatean cultures. (B, D)

**Day 6 - Sunday, May 5, 2024: Petra, Mt. Nebo, King Hussein Bridge, Netanya**

After breakfast we will head to the ancient ruins of Petra by entering through the Siq. Most people recognize Petra for the Treasury, but there is so much more to see. There are two ways into and out of Petra. One is by buggy pulled by a donkey (additional fee). The other method is by foot, which allows for a scenic and memorable experience and is not a difficult walk. After lunch we leave along the Desert Highway to a mountain peak in the Jordanian western mountains, Mount Nebo, where Moses made his last stopping place before departing the tribes of Israel and entrusting their leadership to Joshua. After taking in the panorama of modern Israel and the Palestinian Territories and reviewing the

events on this mountain we descend to the great rift valley of the Jordan River and see in the distance the city of Palms, Jericho. We will make the crossing of the Jordan close to where Joshua and the children of Israel, Elijah and Elisha, Joseph and Mary, and Jesus and His disciples crossed near Al-Maghtas or “Bethany beyond the Jordan”, the probable site of Bethbara where the baptism of Jesus by John the Baptist occurred. We will reminisce those events as we cross the King Hussein/Allenby Bridge from the Hashemite Kingdom of Jordan to the modern nation of Israel and the Palestinian Authority Territories. After crossing the border, we will pass by Jericho and through the Judean Hill Country before continuing our journey to the Mediterranean coastal city of Netanya and our accommodations for dinner and overnight.
